

REVENUE UNDER NEW MANAGEMENT

Competitor Managed vs. Mgmt. Under Luxury Simplified Retreats

Faced with the frustration of a management company that consistently underperformed on revenue expectations, our client was searching for a full service, locally-based, vacation rental property management company. After meeting with our team, and reviewing our projections and high-touch service offering for guests, Luxury Simplified Retreats took over management. Utilizing the expertise employed by our revenue management team and the comprehensive marketing strategies designed to attract more qualified guests, Luxury Simplified Retreats significantly increased the Owner's revenue. Our client saw a 43% increase in revenue over her first year with Luxury Simplified Retreats.
